This Division deals with consumer complaints and inquiries. Activities involve an examination and evaluation of complaints and of the company's position.

All formal complaints against companies are recorded in a computer system. A printout from this system enables us to observe trends that may be developing in violation of insurance statutes or regulations.

In 1983, 2,935 complaint files were closed. A breakdown of these files reveals the following:

Health	55%
Life	14%
Annuities	1%
Credit	1%
Auto	18%
Property and Liability	11%

LEGAL DIVISION

The duties of the Legal Division are to prepare Department regulations, bulletins and legal interpretations, to represent the Department in administrative hearings, to process applications by insurers for certificates of authority, to render legal advice on policy form approvals and to enforce compliance with the Nebraska Insurance Statutes and Department of Insurance regulations by all insurers, insurance agents, brokers, and all others licensed by the Department of Insurance. In addition, counsel for the Department acts as a liaison with the Attorney General's office with regard to all pending litigation and/or appeals from administrative rulings. The Legal Division also acts as counsel for the Director in connection with the supervision, rehabilitation or liquidation of insurance companies and as an incidental part of that duty advises the Director in connection with the operation of the Nebraska Property and Liability Guaranty Association and the Nebraska Life and Health Guaranty Association.

The Legal Division consists of a General Counsel, and three Legal Counsel.

EXAMINATION DIVISION

The business of insurance has always been regarded as one vested with a public interest and therefore, subject to the regulatory power of the several states, including the authority in those states to make periodical examinations of insurance companies. The jurisdiction had never been questioned seriously until 1944, when an opinion of the United States Supreme Court in the Southeastern Underwriters Case was rendered and declared insurance to be interstate commerce and subject to the regulation by the Congress. The dual regulation thus created was somewhat held in suspense by Congressional action effective June 30, 1948 (Public Law 15), which retained the State's regulatory power over insurance, but added language to the effect that after the date mentioned the Federal Sherman, Clayton, and Trade Commission Acts would be applicable to the business of insurance, "to the extent that such business is not regulated by state law."

Examinations of companies by state insurance departments are required by laws of every state, and in Nebraska its statutes specify examination of Nebraska domestic companies at least once in three years. The right to examine companies domiciled in other states and licensed in Nebraska is also extended to the Nebraska Insurance Department by statutory provision. Examinations may be a complete review of all operations of a company over a certain period, or be confined to limited areas within a company's activities.

The Examination staff of the Nebraska Department is made up of salaried employees who have been selected by the Director of Insurance and have met the education (and/or) experience qualifications specified in our insurance statutes. Examiners are paid their salary and expenses out of the Insurance Examination Fund, a fund wholly revolving in nature, the income of which is the reimbursement from insurance companies for time spent by examiners and limited expenses incurred during the examination of companies. The fund is not financed by any general tax funds of the State. The present staff in the Examination Division of the Department of Insurance consists of: a Chief Examiner, an Assistant Chief Examiner, 10 Financial Examiners, 1 Actuarial Examiner and 3 Market Conduct Examiners.

PROPERTY AND CASUALTY DIVISION

The Property and Casualty Division, pursuant to Chapter 44, Article 14, of the Nebraska Insurance Code, is charged with the responsibility of promoting the public welfare by regulating insurance rates so they shall not be excessive, inadequate or unfairly discriminatory. To accomplish this objective, all rates must be approved by the Department prior to their use. Each rate filing is reviewed by members of this Division to verify the statistical justification for the approval of the filing.

Policy forms are also subject to approval by the Department before issuance by the insurers. The forms are reviewed for compliance with Nebraska statutes, clarity of language, benefit to the public and coverage commensurate with the rates charged.

During 1983, the Property and Casualty Division approved 6,743 filings. This represents an increase of over 38% from the previous year. Of this total, 118 were made by rating organizations for members or subscriber companies. Another 911 filings constituted deviation filings from bureau rates and/or forms. Independent filings by individual companies totaled 5,714.

The breakdown of the approvals by category were as follows:

Fire & Marine	Multi-Peril	Auto	Liability	Other
815	2,158	1,467	1,662	641

During the year, 23 statistical plans and 38 experience reports were filed by statistical agents. These experience reports included the premium written and earned and the losses paid and incurred in a particular line of insurance for one, three and five year periods.

Under Nebraska's consent-to-rate statutes, 23 policies were filed where the rate charged was in excess of the filed rate.

The licensing of property and casualty companies seeking authority to do business in Nebraska is handled by this Division. During 1983, 60 applications by foreign and alien companies were reviewed. Twenty-five companies were licensed to do business in Nebraska.

This Division is also responsible for the licensing of surplus lines agents and the processing of surplus lines reports. Sixty-four surplus lines agents using 73 nonadmitted companies generated approximately 6.6 million dollars of premium in Nebraska in 1983. Premium taxes of $131,944.34 and fire marshal taxes of $6,310.60 were collected. The financial statements of 104 nonadmitted companies were received.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION

Nebraska Life and Health Insurance Guaranty Association is a nonprofit, unincorporated association organized and established by the Nebraska Life and Health Insurance Guaranty Act, Sections 44-2701 thru 2720, R.S. Supp. 1975, which provides for the creation of an association of member insurers to enable the guaranty of payment of benefits and the continuance of coverage of life insurance policies, health insurance policies, annuity contracts and supplemental contracts. Any insurer licensed to issue life and health insurance policies and annuity and supplemental contracts in the State of Nebraska shall be a member.

Association members may be assessed three types of assessments as follows:

Class "A" - Assessment for administration expenses of the Association.

Class "B" - Assessment to cover insurance benefit claims and expenses of domestic (Nebraska) insurance companies which are declared insolvent by the State of Nebraska Department of Insurance.

Class "C" - Assessment to cover insurance benefit claims and expenses of foreign (other than Nebraska) insurance companies which are declared insolvent by the State Department of Insurance.

NOTE 2 - ACCOUNTING POLICIES

The Association maintains its accounting records and prepares its financial statements on the basis of cash receipts and disbursements.

Separate funds are maintained by type of assessments and by insurers, and the assets of each fund are held in separate bank accounts and certificates of deposit.

NOTE 3 - FIRST NATIONAL BANK, LINCOLN - CHECKING ACCOUNT #710-262

Assessments received from member insurers for Iowa State Travelers were deposited in this checking account. When this checking account was established on June 21, 1983, it was set up by the bank as a regular checking account. However, this account should have been set up as a "Super NOW" checking account and interest income should have been credited to the account, but no interest was credited to December 31, 1983. This matter was referred to management on April 12, 1984, and management has brought this matter to the attention of First National Bank, Lincoln. First National Bank, Lincoln, has agreed to credit interest on this account from the date the account was established on June 21, 1983. The amount of interest which should have been credited from June 21 to December 31, 1983, is estimated to be approximately $8,500. (On May 1, 1984, First National Bank, Lincoln, advised they credited Checking Account #710-262 with $16,392 of interest from the date the account was opened on June 21, 1983.)

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - RECOVERY FROM RECEIVER - OLD SECURITY LIFE

In June 1983, $54,210 was received from the Receiver of Old Security Life Insurance Company of Kansas City, as a recovery on benefit claims and administration expenses paid by the Nebraska Life and Health Insurance Guaranty Association. An additional $16,600 was received in January 1984, and an additional legal fee of $1,509 was paid in January 1984, in connection therewith.

NOTE 5 - BENEFIT CLAIMS - IOWA STATE TRAVELERS

From August 5, 1983 to December 31, 1983, 415 benefit claim payments were made which totaled $111,585. From January 1, 1984, to March 19, 1984, an additional 293 benefit claim payments were made which totaled $118,664. Total benefit claim payments from August 5, 1983 to March 19, 1984 were $230,249 (708 payments). As of March 19, 1984, there were still 315 benefit claim files pending settlement, according to a report from AFC Group, Inc., the agent for the Association. A claim on behalf of Nebraska Life and Health Insurance Guaranty Association has been filed with the Receiver for Iowa State Travelers.

NOTE 6 - EXPENSES PAYABLE DECEMBER 31, 1983 - IOWA STATE TRAVELERS

The following expenses incurred in 1983, were paid in January and February 1984:

Consulting fees - Claims	$ 6,600
Claims processing services	15,294
	$ 21,894

NOTE 7 - CONTINGENCY - BALDWIN UNITED INSOLVENCY

On October 18, 1983, $3,000 was paid to Hopkins & Sutter, a law firm in Chicago who is representing guaranty associations of several states regarding the Baldwin United insolvency matter. The $3,000 is a pro rata share of the retainer fee based on the relative exposure of Nebraska Life and Health Insurance Guaranty Association. On January 19, 1984, an additional $3,000 was paid to Hopkins & Sutter.

The Nebraska Life and Health Insurance Guaranty Association has engaged the law firm of Cline, Williams, Wright, Johnson & Oldfather, Lincoln, Nebraska, regarding matters pertaining to Baldwin United. Legal fees and costs of $2,845 were paid February 21, 1984, and $1,174 was paid March 20, 1984, for services and costs through February 29, 1984.

Rehabilitation plans for Baldwin United are being developed and the Nebraska Department of Insurance is monitoring the progress of the Baldwin United matter. Management estimates the potential maximum liability of Nebraska insurers for the Baldwin United insolvency may be 35 to 40 million dollars.

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - INCOME TAXES

The Association is a nonprofit, unincorporated entity of the State of Nebraska and, therefore, no income tax returns or returns of organization exempt from income tax are required to be filed with the Internal Revenue Service or with the Department of Revenue of any state.

NOTE 9 - DISPOSITION OF CLASS C1 FUND FOR OLD SECURITY LIFE

At the Annual Meeting of the Nebraska Life and Health Insurance Guaranty Association on April 12, 1984, it was announced that $125,000 of the Class C1 Fund, representing the assessment for Old Security Life Insurance Company of Kansas City, was available to be paid to the State of Nebraska to reimburse the State for the premium tax offset claimed by member insurers, and for those member insurers who have not claimed the premium tax offset, a refund is to be paid to them. The member insurers approved that the remaining balance of the Class C1 Fund, plus additional interest to be received and plus any additional recoveries received, shall be transferred to the Class A Fund for General Administration of the Association.
